

MMI SAP Policy

MMI SAP Policy: Satisfactory Academic Progress Policy for Federal Student Financial Aid

Federal regulations require that cadets receiving federal financial assistance (Pell Grant, Federal Work Study, Federal Supplemental Educational Opportunity (SEOG or Direct Student Loans)

time a cadet is awarded financial aid and reviewed each semester. Academic progress will be monitored for all terms of enrollment, whether financial aid was received. In accordance with federal guidelines, cadets receiving federal financial aid at Marion Military Institute must meet the following requirements:

1. Time frame: Cadets receiving financial aid are subject to a maximum time frame in which they can receive financial assistance. The maximum time frame that a cadet can receive financial

6. Extension of Financial Aid Probation: Cadets on Financial Aid Probation who meet all of the SAP requirements for coursework attempted during their probationary term but is still not

Financial Aid an extension of their Financial Aid Probation.

If, at the end of the second probationary semester, the cadet is still not meeting one or more of the minimum SAP requirements, the cadet will be placed on Financial Aid Suspension and will become ineligible for federal and state financial aid.

7. Financial Aid Suspension: If, at the end of the probationary semester, the cadet does not meet all the SAP

requirements for coursework attempted that semester but is still not meeting one or more of the minimum SAP requirements, the cadet will be placed on Financial Aid Suspension and will
